Brisbane SFC Interclub Comp 2005

Our interclub comp was held on the weekend of the 4-6th March. The weather was reasonable on both Saturday and Sunday mornings to allow anglers to fish offshore or inshore, although the Northerly got up by lunchtime Saturday, and a big Southerly change came through mid-morning Sunday. We had 34 nominations from the **Brisbane, Bribie, Ipswich, Bundy and Maryborough** clubs, which was very pleasing. It is great to have the support of our fellow ANSA clubs for these events, and also great to meet and chat with members of other clubs.

We had a very pleasing response from our sponsors, and I would like to thank **Alvey, Bush and Beach, Century Yuasa, Chappo's Bait and Tackle, Castrol, Eagle Ray Rods and Repairs, Demon Jigs and Deepwater Lures, Fish Head, Master Baiter Custom Tackle, Motorama Springwood Marine, Platypus Nylon Fishing Lines, Queensland Fishing Monthly, Tackle Warehouse and Water Tower Bait and Tackle** for their support. I would also like to thank all of our committee members (and some outside the committee!) who worked very hard both before and during the comp to make sure the event was a success.

I have had some feedback from some of our club members who would like to see some aspects of the rules (launch boundaries) changed. We will be looking at this and other aspects of the comp rules at the next committee meeting, but whatever we do, I know we will never please everyone. That's just a fact of life, but I assure everyone, that we do the best we can!
